

CLIMATELINE™
Finished Plasterboard

for stunning wardrobe doors

a premium solution

A custom-made sliding or bi-folding Wardrobe Door System with a ClimateLine™ panel allows efficient access to storage space while providing a perfect finish to compliment your interior space.

When you choose to use ClimateLine™ as your Wardrobe Door System panel, you are not only buying a great looking door but piece of mind. Your ClimateLine™ Wardrobe Door System panel is a state of the art Climate™ powder coat finish over quality Gib® board, which means it's tough, easy to clean and benefits the environment.

ClimateLine™ offers a smooth finish with outstanding durability.

benefits of ClimateLine™

Wardrobe sliders are a moving component acting as the doorway to a high use area of the home, which means they are often subjected to knocks and scrapes. The ClimateLine™ powder coat finish provides the additional protection to cope with the extra rigors your doors will endure.

Serviceable finish. Wardrobe sliders are handled on a daily basis making them prone to finger marks and grime. ClimateLine™ resists marking and can also be easily cleaned with a damp soapy soft cloth.

The superior finish of ClimateLine™ ensures your ClimateLine™ Wardrobe Slider is a room feature. Use of Mica and Blend finishes are a great choice to enhances the feature of your doors even more.
